

Oyster Harbour Gate Access

Guard is not on duty

Please read this carefully and inform your guests on how to reach you when arriving at the gates. Instructions are also on the kiosk.

If your name is not in the kiosk or you want to know your code please contact Waccamaw Management. You'll find their contact info at the bottom of our Home page

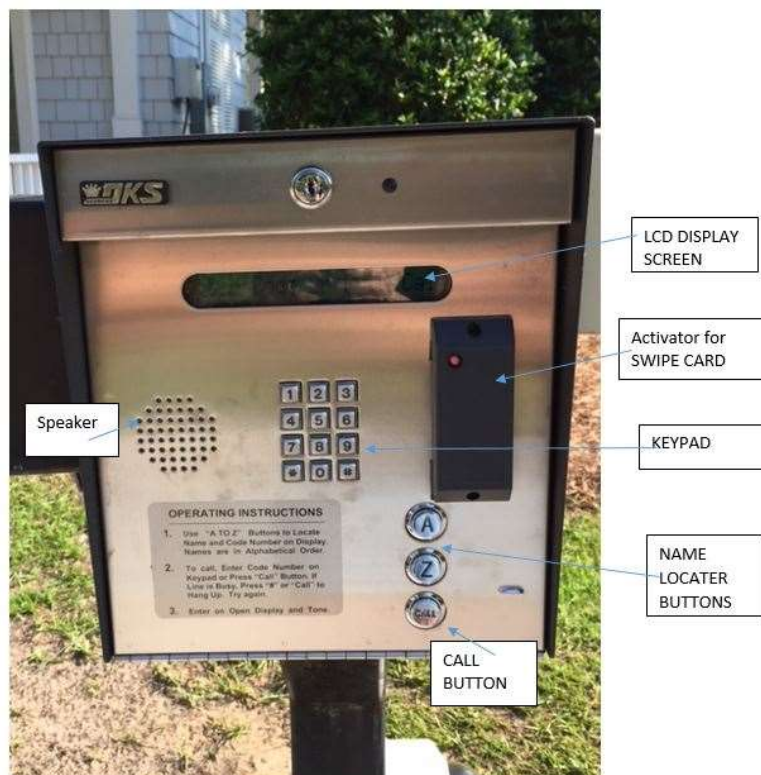

Using the Kiosk:

Guest has been given homeowner's code

- Guest enters code number on KEYPAD and presses CALL BUTTON.
- Homeowner answers call and PRESSES 9 on their phone. Gate opens when BEEP is heard. End call.

Guest does not know homeowner's code

- Guest presses the A (scrolls up) or Z (scrolls down) button to locate name and code on LCD display screen.
- Guest enters code number on KEYPAD and press CALL BUTTON. Homeowner answers call and PRESSES 9 on their phone. Gate opens when BEEP is heard. End call

Guard is on duty

You can speed the entry process for visitors, service personnel, vendors, etc. by adding their information to the Safe Passage list. Safe Passage is a web-based list of people you have selected that the guard on duty will allow in. A link to Safe Passage is on our website in the Gate Information page under the Happenings menu.
